Liberty Festivals & Events, Inc.

Liberty Festivals and Events is working hard on great events for *Liberty in 2019!* Our last series of events were a huge success that brought an estimated 10,000 attendees to Liberty that were exposed to your business. How did this happen?! It happened because Liberty Festivals and Events created an aggressive marketing campaign that included television, newspaper, banners, print and online advertisement promoting Liberty, Liberty's events and Liberty's businesses. We're planning to do that same thing again for 2019!

For 2019, we will host and plan the following events for our community:

- Music in the Park – Saturday nights on April – June (except May 18) from 6:30-9:30 PM
- Celebrate Liberty Spring Festival – Saturday, May 18 from 10 AM - 3 PM
- Love My Liberty – Thursday, July 4 from 6-10 PM
- Fall For Liberty Bluegrass Festival – Saturday, November 9 from 10 AM – 3 PM
- Trick-or-Treat @ the Liberty Rec Stadium – Thursday, October 31 from 5-7:30 PM
- Tree Lighting – Friday, December 6 from 6-7:30 PM
- Christmas Parade – Saturday, December 7 at 6 PM

We are excited for this opportunity to provide fun activities for our community and hope you'll join us by becoming an essential part of these events! **We are accepting sponsorships and donations for our silent auction and giveaways.** We hope you will support our efforts while gaining recognition of your business with your tax deductible contribution.

From Mayor Brian Petersen: "I hope you will join me and city council in our enthusiasm of what the Festival and Event's 2019 program means to Liberty and your business. Never before has Liberty seen so many positive changes in the span of just a few years. Please join us in making Liberty all it can be! Our challenge to you is to get involved, become a sponsor this year and reap the benefits of affordable marketing, increased awareness of Liberty, and increased traffic flow in your business."

We have so much to look forward to in our city, and you can become a part of the momentum in *2019!*

Sincerely,

Tammy Clark, Chair
